Sponsored by Phoenix Metro Bicycle Club

Join in for the first century and metric century of the year! **NOTE: THIS IS NOT A RACE!**

There are **three route options**:

- A **Full Century** (102 miles); a loop and mostly flat
- A **Metric Century** (60 miles); out-and-back, with a slight hill
- 33 miles**; out-and-back and flat

This ride is a great first century or metric century. The terrain is flat, the roads have low traffic, and if history repeats itself, the weather will be sunny with a high of 70 degrees. What more could you want?

How about SAG stops with water, fruit, and snacks? The century and metric riders get lunch at Dave White Regional Park in Casa Grande.

You will get a route map ahead of ride day. Check back as the ride draws near.

Please bring enough spare tubes for your ride. There will be SAG vehicles on all routes to assist you!
